

Free financial counselling and recovery support

For farmers and small business owners

RFCS Victoria West provides free, independent financial counselling for farmers and small business owners experiencing financial difficulty after an emergency (including fire, flood and storms).

WE CAN HELP YOU UNDERSTAND AND WORK THROUGH

- **Insurance support** - understanding policies, navigating claims and disputes
- **Grants and assistance** - identifying and applying for government and community support
- **Banks and lenders** - negotiating payments, hardship options and debt arrangements
- **Cashflow and budgeting** - understanding income, expenses and short term pressures
- **Debt management** - reviewing debts and exploring practical options
- **Utility relief** - accessing concessions and payment support
- **Financial education** - building understanding and confidence around finances
- **Advocacy and support** - working with you and on your behalf where needed
- **Recovery planning** - support through short and long term recovery and decision making
