**FRIDAY 24 OCTOBER, 2025**

## TAKE TIME OUT AT LOCAL PHOTO EXHIBITION

Taking time out is important, and we're lucky to have the Willaura Modern Railway Station Gallery to take our minds to new places. If you haven't already, get along to the 'Bring a Plate' portrait exhibition before it closes on October 31. You'll see photos by Ararat's Kelly Jordan that shine a light on extraordinary rural women. The gallery is open from 10am to 2pm Wednesdays-Saturdays. Enquiries: 0428 541 482

## PREPARATION TIP: INCLUDE PETS IN YOUR FIRE PLAN

Makesure your cats, dogsand otherdomestic animals are included in your household/property bushfire survival plan to help save valuable time during a possible evacuation. Things to consider include:

- Having pet bedding, food, water, medication, and important documents like vaccination records in one spot for easy access.
- Ensuring rego/microchip tags are on your pets' collars (where possible) and make sure their microchip details are up-to-date (prioritise now).
- Clarifying how you'll gather and transport your pets during an evacuation.

For livestock, separate plans are essential.
