

PART B: DETAILS OF YOUR VARIATION

Regulation 85 – Daylight to a habitable room window.

Step 1. Please provide reasons to support your request

Note: Council's approval of a variation is determined by its compliance with the Minister's Guidelines. The fields below address each of the decision guidelines that Council must consider in deciding whether to approve or refuse your variation request.

The objective of Regulation 85 is to allow adequate daylight into new habitable room windows of the dwelling.

Please provide your reasoning on how your variation will meet this objective:

- a) The area of the window is larger than 10% of the floor area of the habitable room.
